Words to Know

POS (Point-of-Sale) Machine

A POS machine reads your EBT Card and allows you to buy food with your food stamp benefits.

PIN (Personal Identification Number)

A PIN is a four-number secret code you use with your EBT Card to make sure no one can use your card but you. POS machines will not work unless you enter your PIN. It is important to learn and remember your PIN. This is how your PIN looks on a POS machine:

Quest® Mark

The Quest® Mark is the sign you will see on store doors, check-out lanes, and POS

machines that tells you that your EBT Card can be used at that store. Look for the Quest® sign at the store before you shop.

About Your PIN

- Your four secret numbers are called a Personal Identification Number or PIN for short.
- Every time you use your card, you will need to use your PIN or your card will NOT work and you will NOT be able to get your benefits.
- NO ONE knows your PIN so it is important that you remember your PIN.

How to Keep Your PIN Safe

- NEVER write your PIN on your card, the card sleeve or on anything you keep with your card.
- Keep your PIN secret. NEVER give your PIN to your caseworker, family members, store cashiers or anyone else unless you want them to be able to get ALL your benefits.
- NEVER use your PIN if you think someone is watching you.
- When you use your EBT Card, you have up to four tries to enter your PIN. If your fourth try is incorrect, you will not be able to use your card again until after midnight. If you cannot remember your PIN, call Customer Service (the phone number is listed on the back of your card). Customer Service does NOT know your PIN, but will help you change your PIN.
- If someone learns your PIN without your OK, call the Customer Service number right away or visit your public assistance office to change your PIN.
- If someone takes your card and knows your PIN, they can get your benefits! If benefits are withdrawn by someone else before you call Customer Service, **YOUR BENEFITS WILL NOT BE REPLACED.** Call Customer Service immediately to cancel your card.

Know Your Balance

The best way to keep track of how much you have left to spend in your food stamp benefit account is to know your balance. And the best way to know your balance is to KEEP YOUR LAST RECEIPT. Not all receipts have the balance printed in the same place.

If you lose your last receipt, and need to know your balance:

- Call the Customer Service number on the back of your card, or
- Check your food stamp account balance at a POS machine

**YOU SHOULD ALWAYS KNOW YOUR BALANCE
BEFORE USING YOUR CARD!**

How to Use Your EBT Card to Buy Food

The steps you follow may be different for each type of POS machine you use. Don't be afraid to ask the clerk for help.

Know your balance! Check your last receipt or call Customer Service before shopping.

- Step 1** Choose your groceries and go to the checkout lane. Depending on the store, you may need to separate your eligible food items from non-eligible items.
- Step 2** Swipe your card through the Point-of-Sale (POS) terminal or hand your EBT Card to the clerk.
- Step 3** Enter your four-number Personal Identification Number (PIN) on the keypad. The terminal will show **** instead of the numbers you entered.
- Step 4** Press the "ENTER" key.
- Step 5** The clerk enters the food stamp amount. If the amount is correct, press the "OK" or "YES" key.
- Step 6** You will get a copy of a printed receipt showing:
 - Store name and address
 - Amount of your purchase
 - Your new food stamp account balance
- Step 7** Keep your receipt so you will know your new balance the next time you shop.

Remember you cannot be charged a fee to use your food stamp benefits and you cannot get cash or change back from your food stamp account.

When you use your EBT card, the county will not know what you bought.

If you want to purchase eligible food items and the POS machine is not working or there is not one at the store, the cashier will fill out a paper form called a food stamp voucher. Some merchants like mobile vendors do not have POS machines. The cashier will write in your EBT Card number and the amount you are spending. DO NOT give the cashier your PIN. The cashier will call to see if you have enough benefits in your account to buy the food. If there is enough in your account, you will be asked to sign the voucher and will be given a copy of it. It is very important to keep this copy so you can subtract what you spent from the balance shown on your last EBT receipt. This will give you the current amount in your account.

How to Take Care of Your EBT Card

DO NOT keep your card and PIN together.

DO NOT cut or bend your card.

DO NOT write on or scratch the black stripe on the back of your card.

DO NOT get your card wet.

DO NOT put your card near magnets, TVs, DVD players, CD players, stereos or VCRs.

DO NOT leave your card in the sun, like on the dashboard of a car because it will curl up and not work.

DO NOT keep your card out in the open—always put your card in a safe place after using it.

DO NOT throw your card away—you will use the same card every month as long as you receive benefits. Also, you can use your EBT Card wherever you see the Quest® mark throughout California and across the country.

If your card is lost or stolen, call Customer Service right away. They will put a lock on your card and tell you how to get a new card. It's important that you call Customer Service as soon as possible! It may take up to three business days to get a new card.
